

Floral Designer

Location: Jackson, MS (Green Oak Florist & Gift Shop)

Schedule: Full-time, Monday–Saturday availability required (rotating Saturdays)

Pay: Competitive based on experience

Company Description

Green Oak is Jackson's plant and floral expert, providing high-quality plants, floral designs, and horticultural services since 1960. Our florist team is known for creativity, consistency, and care. We serve everyday orders, events, weekly businesses, sympathy arrangements, weddings, and custom installations with a focus on excellence in every design.

Role Description

We're looking for an experienced, detail-oriented floral designer to join our high-volume florist team. This role requires a strong sense of style, speed, and professionalism.

Designers are responsible for creating beautiful and accurate arrangements that reflect Green Oak's reputation for quality and creativity.

Duties

- Design floral arrangements for everyday orders, events, sympathy, and weddings
- Maintain consistency with Green Oak's design standards and seasonal styles
- Communicate with sales team and customers to understand and execute floral requests
- Work efficiently in a fast-paced, deadline-driven environment
- Assist with flower processing, supply inventory, and cooler organization
- Help with holiday prep and high-volume floral pushes (Valentine's, Mother's Day, Christmas, etc.)
- Deliver or install arrangements as needed (local delivery only)

Required Qualifications

- At least 2 years of professional floral design experience
- Ability to create a wide variety of styles (traditional, garden-style, modern, etc.)
- Strong flower knowledge and design mechanics
- Ability to work quickly and accurately under pressure
- Team player with a positive, solutions-focused attitude
- Must be able to lift up to 40 pounds and stand for long periods
- Valid driver's license

Additional Preferred Skills & Qualifications

- Sympathy and wedding design experience
- Experience with POS systems
- Retail or customer-facing experience
- Familiarity with floral wiring, foam mechanics, and large-scale installations

Benefits

- Paid time off and paid holidays
- Employee discount on store merchandise
- Opportunities for growth within Green Oak
- Professional, creative environment with a loyal customer base
